GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution no. P. 52.

Bombay Castle, 14th May 1931.

Read reports from the Commissioner in Sind, the Commissioners, Northern Division, Central Division and Southern Division and the Collector, Bombay Suburban District, on the administration of Local Boards in their respective charges during the year 1929-30.

RESOLUTION—*Number of Boards.*—There was no change in the number of District and Taluka Local Boards.

2. *Area and population.*—There was no change in the total area and population of District and Taluka Local Boards.

3. *Constitution.*—There was no change in the constitution of the District and Taluka Local Boards. The administration of the superseded District Local Board, Sholapur, continued to be in the hands of the Collector.

4. *Elections.*—No triennial elections were held during the year under report.

5. *Meetings.*—The following Taluka Local Boards did not hold the minimum number of meetings prescribed by section 35 (1) of the Bombay Local Boards Act, 1923:—

Gogho, Murbad, Karjat, Malsiras, Tatta, Shahdadpur, Nawabshah, Sakrand and Moro.

The District Local Boards, East Khandesh and Satara, and the Taluka Local Boards, Parola and Chalisgaon in the East Khandesh District, Karad, Wai, Javli, Patan, Khatav and Tasgaon in the Satara District and Barsi and Sangola in the Sholapur District, failed to convene their quarterly meetings at regular intervals as laid down in section 35 (1) of the Bombay Local Boards Act. The attention of these Boards should be invited to the provisions of section 35 (1) and they should be asked to strictly comply with the requirements of the law.

6. *Income.*—The aggregate income of the Boards (excluding opening balance and debt) increased from Rs. 1,96,59,304 to Rs. 2,02,67,536. The principal variations under the main sources of revenue are explained below:—

(*a*) *Local Rates.*—The receipts rose from Rs. 50,14,734 to Rs. 50,49,430, the Northern Division alone being responsible for the increase, on account of the recovery of the arrears of the past year. The decrease in Sind was due to the failure of crops as a result of the floods whilst in the other Divisions it was due to the fact that the previous year's figures included the arrears of the past years.

(*b*) *Education.*—The receipts as shown in the Statement of Income show that they increased from Rs. 97,03,175 to Rs. 1,02,95,752. This increase was shared by all the Divisions and was due mainly to the receipt of enhanced grants-in-aid from Government and payment of contributions by non-local authority Municipalities to the Boards for primary education.

(*c*) *Medical.*—The receipts increased from Rs. 2,61,499 to Rs. 3,16,360. The increase was shared by all the Divisions, and was due to the receipt of enhanced grants from Government and the payment of contributions by certain Municipalities and persons for dispensaries.

(*d*) *Civil Works.*—The receipts decreased from Rs. 31,95,370 to Rs. 29,94,036. The decrease was shared by all the Divisions, and it was mainly due to a reduction in the grants from Government for roads and water supply, and less realisations from tolls, road side trees, etc.

7. *Expenditure.*—The aggregate expenditure of the Boards chargeable to current income increased from Rs. 1,93,40,189 to Rs. 1,98,91,284. The principal variations under the main heads are explained below :—

(*a*) *Administration.*—The expenditure under this head rose from Rs. 7,46,719 to Rs. 7,54,368. The increase is shared by all the Divisions, except the Central Division, and is due to the entertainment of additional staff, and payment of increments and acting allowances. The decrease in the Central Division is due to a saving on contingencies and travelling allowance to Local Board members.

(*b*) *Education.*—The expenditure under this head rose from Rs. 1,14,47,862 to Rs. 1,16,33,100. The increase was shared by all Divisions except Bombay Suburban District where there was a small decrease and was due to the largest grants paid by District Local Boards to the School Boards.

(*c*) *Medical.*—The expenditure under this head rose from Rs. 11,74,851 to Rs. 12,58,870. The increase was shared by all the Divisions and was mainly due to the special measures taken for combating small-pox, cholera, plague, etc.

(*d*) *Civil Works.*—The expenditure under this head decreased from Rs. 51,82,988 to Rs. 50,54,559. The decrease was shared by all the Divisions, except the Central Division, and was due to the curtailment of work on buildings, communications and water works.

8. *Closing balances.*—The aggregate closing balances of all the Boards amounted to Rs. 45,96,577 as against Rs. 44,40,776 in the previous year. Government note that the closing balances in the case of most of the Boards still continue to be in excess of the prescribed minima. This is due in most cases to the non-completion of the budgetted works and failure to spend fully the Government grants and other contributions during the year. The Commissioners should be requested to invite the attention once again of the District Local Boards concerned to the importance of more careful budgetting as well as greater efficiency in the execution of those for which budget provision has been made.

9. *Primary Education.*—In the Southern Division all the District Local Boards have been constituted local authorities for the purpose of primary education, and since the transfer of primary education to these bodies in 1927 steady progress has been made in spreading literacy in rural areas. The Kolaba and Ratnagiri District Local Boards opened 25 and 17 new schools respectively, while the Belgaum District Local Board opened 13 Agricultural Bias Schools. In Belgaum and Kolaba Districts English classes have been attached to some of the principal primary schools. In the Bombay Suburban District the number of local board primary schools remained unchanged, i.e., 46, while there was an addition of one aided school, making the total number of aided schools 22. In the Central Division 12 English Classes have been attached to 1st grade vernacular schools, 8 boarding houses have been attached to the Central schools, and scholarships have been granted to the poor, backward and depressed classes in the Ahmednagar District. A normal class and a training class have also been started with a view to improve the efficiency of the teachers. In the East Khandesh District no new schools were opened during the year under report, but the number of pupils increased by 1,793. The general progress of education among Muhammadans was satisfactory. In spite of special facilities some separate schools for the depressed classes broke down for want of sufficient number of pupils and for want of good teachers. In the West Khandesh District the number of pupils belonging to the intermediate and backward classes under instruction in all primary schools increased during the year by 2,152 and 2,406 respectively. In the Satara District, the number of schools, public and private, increased by 2. The number of pupils from the backward and Muhammadan classes decreased by 149 and 63 respectively, while that of the intermediate classes rose by 315. Out of 1,341 villages in this district 866 have been provided with Schools. In the Northern Division, all District Local Boards except Ahmedabad and Kaira have taken over the control of primary schools. In the Surat District 14 new school buildings were erected under the

Sir Purshottamdas Thakordas Building Scheme in addition to the 43 constructed in previous years. In Sind several new schools were opened in Hyderabad, Sukkur and Thar Parkar Districts. In Hyderabad District alone as many as 40 schools were opened. During the year under report 10 English classes were opened in the Thar Parkar District, 5 in the Sukkur District, 4 in the Karachi District and 1 in the Nawabshah District. The School Board, Hyderabad, showed interest in the development of adult education. During the year it opened 9 night schools which attracted 143 pupils. As regards girls' education 2 new primary schools were opened for girls in the Sukkur District. To popularise female education, 6 scholarships are being given to girls by the Karachi District Local Board. The School Board, Hyderabad, has also sanctioned 20 scholarships for them. A scheme on voluntary basis for opening 15 schools in the Nawabshah District was introduced during the year under report.

10. *Medical and Public Health.*—In the Southern Division the medical and sanitary administration of all the Boards, except Dharwar, is mainly under the control of Government, the Boards being responsible for the expenditure. The Dharwar Board has a Sanitary Department of its own with a qualified Health Officer. Adequate sums were expended by all the Boards in this district in combating plague and small-pox and prompt measures were taken to quininise areas affected by malaria. The Dharwar Board was responsible for as many as 100,000 inoculations, while the Belgaum Board was responsible for 30,000 inoculations. In the Bombay Suburban District one dispensary was added to the five existing dispensaries as a result of donation from Seth Dwarkadas Tribhuwandas. In the Central Division, during the year under report, cholera, plague, small-pox, guinea worm, malaria and other kindred diseases broke out in several districts. Thirteen medical dispensaries were maintained by the Ahmednagar District Local Board at a cost of Rs. 33,046. The five medical dispensaries under the management of the District Local Board, East Khandesh, continued to work satisfactorily. Two more Ayurvedic and two unani dispensaries were opened by this Board during the year under report. The Board also appointed one qualified Ayurvedic Supervisor to look after the working of the Ayurvedic dispensaries. Four Allopathic dispensaries were maintained by the District Local Board, West Khandesh, at a cost of Rs. 11,504. There were 8 Allopathic dispensaries working under the District Local Board, Nasik, at a cost of Rs. 20,805. A new dispensary was opened by the Board at Harsul, taluka Peint, from 1st April 1930. The District Local Board, Satara, maintained 5 Allopathic dispensaries which continued to do good work. The Board has recently appointed a Public Health Officer approved by Government. It is gratifying to learn that this Board has taken a keen interest in the public health in rural areas, and has undertaken an intensive campaign to stamp out plague. The District Local Board, Sholapur, maintained two dispensaries and contributed grants to other taluka dispensaries in Municipal limits. The District Local Board, Poona, opened 30 First-aid posts in different parts of the District to afford medical relief in the rural areas of the District. In the Northern Division, the ten Ayurvedic dispensaries opened by the Ahmedabad District Local Board are reported to be working satisfactorily, and supplying a long felt need of the rural areas. In the Kaira District, 13 Ayurvedic dispensaries were opened by village people and they are aided by the District Local Board. A virulent epidemic of small-pox occurred in the Surat District during the year. In Sind two new dispensaries were opened by the Karachi District Local Board The District Local Board, Upper Sind Frontier, took over control and management of one private charitable dispensary at Abad in Jacobabad Taluka during the year. Cholera and malaria were rife in several places during the year. The District Local Boards affected took prompt and effective measures in combating these epidemics. The District Local Board, Hyderabad, has received a generous offer of Rs. 20,000 from Khan Bahadur Mir Ghulam Muhammed Khan Talpur for the establishment of a maternity home at Tando Bago. Three new maternity homes were opened in the Larkana District and one in the Sukkur District during the year.

11. *Veterinary Dispensaries.*—In the Southern Division 19 veterinary dispensaries were maintained by the Boards. The total expenditure incurred for their upkeep was Rs. 34,000 as against Rs. 33,000 in the previous year. In the Bombay Suburban District there is no veterinary dispensary in charge of the District Local Board. In the Central Division 49 dispensaries in all were maintained. All these dispensaries continued to do good work and are appreciated by the rural public. Three stallions were maintained by the District Local Board, Ahmednagar, at an annual cost of Rs. 1,785. In the Northern Division, 24 veterinary dispensaries in all were maintained. In Sind all the 18 veterinary dispensaries continued to do good work. Stallions were also maintained by the District Local Boards of Hyderabad, Larkana, Nawabshah and Upper Sind Frontier.

12. *Civil Works.*—The Commissioners have not furnished on uniform lines the information regarding the grants-in-aid paid by them to the District Local Boards by Government for communications and the amounts spent by the Boards therefrom called for in paragraph 1 (*l*) of Government Resolution no. P. 52, dated the 27th September 1929. They should, therefore, be requested to furnish this information in future in the following form :—

Name of the Board	Amount of Government grant	Amount spent from Government grant	Amount spent from local funds

It appears that in the Southern Division and Central Division all the District Local Boards supplemented the Government grants from their own funds. The Dharwar District Local Board was outstanding in this respect. In the Northern Division, the Boards on the whole spent on communications more than the Government grants received by them for that purpose, the only exception being that of the District Local Board, Panch Mahals, which spent on communications Rs. 20,793 only out of a grant of Rs. 26,000 the reason being that the Board's three projects were prepared by the Public Works Department to which it has to pay Rs. 6,054 as review charges. In Sind the Government grants were not spent in full by the District Local Boards of Hyderabad, Sukkur, Nawabshah, Thar Parkar and Upper Sind Frontier.

13. *Village Water Supply.*—In this case also the information regarding the grants paid by Government to the District Local Boards for village water supply and the amounts spent by the Boards therefrom has not been prepared on uniform lines. The Commissioners should, therefore, be requested to furnish the information in future in the form given in the preceding paragraph. From the reports of the Commissioners it appears that in the Southern Division no District Local Board has utilised the year's grants in full, except the Bijapur District Local Board. In the Central Division all the District Local Boards, except the Nasik District Local Board, incurred expenditure on village water supply in excess of Government grants. The Nasik District Local Board did not utilise the Government grant in full as there was a normal rainfall and the supply of drinking water was adequate. The District Local Board, West Khandesh, has appointed a Water Supply Committee for drawing up programmes of works. In the Northern Division, the Boards on the whole spent on water supply works more than the Government grants received by them for the purpose. In Sind Government grants were not spent in full by all the Boards, except the District Local Board, Sukkur. It is reported that nine new wells were sunk and one tank constructed in Sind during the year.

14. *Works Committees, Standing Committees and Sanitary Committees, etc.*—In the Southern Division, Works Committees were appointed in the Kanara District. In the remaining districts the Boards have divided the functions of the Works Committees between the Standing Committees and the Presidents of the Taluka Local Boards. All the District and Taluka Local Boards have appointed Standing Committees. In the Central Division, 48 Local Boards have appointed Works Committees, while 25 have not. Sixty-eight Local Boards have appointed Standing Committees, while 5 (viz., Taluka Local Boards of Akola in Ahmednagar District, Yaval and Chopda in East Khandesh and Chandor and Nasik in the Nasik District) have not done so. Under section 36 (1) of the Bombay Local Boards Act, 1923, it is obligatory on the local boards to appoint Standing Committees. The Commissioner should be requested to invite the attention of the Boards concerned and ask them to comply strictly with the provision of that section without delay. Budget Committees were appointed by 10 Local Boards. Only the District Local Board, West Khandesh, has not appointed a Budget Committee. The District Local Boards of Ahmednagar, Poona and Satara, have also appointed Public Health Committees. Besides these Committees the District Local Board, Poona, has appointed Panchayat and Water Supply Committees; the District Local Board, East Khandesh, has appointed an Appeal Committee and the District Local Board, Satara, has appointed an Industrial School and Agricultural Committee. The District Local Board, Satara, has promoted the formation of Taluka Development Associations by giving grants to them. None of the Boards in the Central Division has appointed a Sanitary Committee. In the Northern Division all the local boards had appointed Standing Committees. Several Boards have also appointed Works Committees to inspect works in progress. Road Committees, Public Health Committees and other special Committees were also appointed by some of the Boards. There were in all 47 Sanitary Committees in the Division. In Sind many members of the Works Committees failed to realise their responsibility and took little interest in the works in progress. The Standing Committees are reported to be doing fairly good work. The number of Village Sanitary Committees during the year was 219 as against 218 in the preceding year.

15. *Village Panchayats.*—In Sind and the Bombay Suburban District there are no Village Panchayats. In the Southern Division the total number of village panchayats which functioned during the year was 68 as against 72 in the preceding year. So far as the Central Division is concerned, the number of village panchayats in the districts of Ahmednagar, East Khandesh, West Khandesh, Nasik and Poona, remained the same as last year, viz., 31, 37, 13, 9 and 17, respectively, while in the other districts their number dwindled. Certain serious irregularities in the affairs of the Pimpalgaon, Chinchwad and Belhe Village Panchayats came to light. In the West Khandesh, Nasik and Sholapur Districts some of the Village Panchayats are reported to be doing good work. In the Northern Division there were 57 village panchayats during the year under report. With the exception of a few village panchayats in the Broach and Thana Districts the working of village panchayats has not answered expectations and Government are now considering the revision of the Act.

16. *Audit of Accounts.*—In the Bombay Suburban District no note on the audit of the accounts of the Boards was received during the year under report. In the Southern Division, the accounts of all the Boards, except those of the District Local Board, Bijapur, were examined by Government Auditors and no serious irregularities were noticed. The criticism of the Auditors was mostly directed to the working of the Public Works section of the Boards and it is a standing complaint of the Auditors that rules and orders are not strictly followed by the Boards. It is gratifying to note that the tendency to overpay travelling allowance to members has been substantially checked this year, except in Bijapur. The serious irregularities noticed in the audit note of Dharwar during the preceding year resulted in the resignation of the Engineer responsible for them. In Ratnagiri two clerks were prosecuted for fraud and misapplication of funds, but they were discharged by the trying Magistrate. In the Central

Division and Northern Division the Audit Notes of the Examiner, Local Fund Accounts, for 1928-29, disclosed gross irregularities, misappropriations, over-payments, etc., in the case of several local boards. The following statement indicates the names of Boards, the nature of the charge against them and the action taken in the matter :—

	Taluka Local Board, Kalyan...	Recording of false measurements, etc., by the Board's Overseer.	The Collector has issued orders to suspend and prosecute the Overseer.

In addition to these cases above there were several local boards, particularly in the Central Division, which delayed unduly the disposal of the audit notes, or did not fully comply with the objections. The following are some of the general irregularities pointed out by the Auditors :—

(i) Rush of expenditure in March.

(ii) Carelessness in checking musters and recording measurements.

(iii) Want of completion certificates.

(iv) Payment of Travelling Allowance in excess of that admissible under the rules.

(v) Absence of, and deviation from, sanctioned estimates and budget provision of works under execution.

(vi) Slackness of supervision.

17. *General Remarks.*—

Bombay Suburban District.—The administration of the Bombay Suburban District continued to be progressive.

Central Division.—The administration of the District Local Boards in the Central Division was, on the whole, satisfactory, although communal friction occurred in the case of some of the local boards. The District Local Board, Ahmednagar, under the able Presidentship of Sardar S. B. Thorat continued to do exceptionally well. Its activities were good all round, the most marked being in regard to education and efficient maintenance of roads. The Satara District Local Board too under the Presidentship of Khan Bahadur D. B. Cooper is reported to have done very useful work in rendering medical help, counteracting epidemics and in encouraging Agricultural Development. The working of the Taluka Local Boards was generally not as satisfactory as those of the District Local Boards. Supervision of the cattle-pounds does not seem to be adequate as complaints from more than one district have been received regarding mismanagement. Several of the Boards have failed to carry out or complete the sanctioned works during the year, with the result that money is unnecessarily locked up and the staff kept idle. The trial of the President of the Taluka Local Board, Wai, for criminal breach of trust in respect of the Board's money continued during the year under report. The President has since been convicted and sentenced to imprisonment and to pay fines in the three cases for which he was tried. In the Central Division the depressed classes enjoyed generally equal facilities with other classes in the matter of the use of Local Board Dharamshallas, wells and schools.

Northern Division.—The administration of the Boards during the year is reported to have been satisfactory on the whole, though several members of some of the Taluka Local Boards, e.g., Bardoli, Jalalpore and Viramgaon, resigned in sympathy with the Civil Disobedience Movement. Some of the District Local Boards also, e.g., Ahmedabad, Kaira and Surat, wasted time and energy in passing resolutions on political questions outside the sphere of their functions. It is, however, satisfactory to note that no cases of communalism nor of serious mismanagement in the administration of the Boards were brought to notice during the year. Local Boards are trying to provide equal facilities for depressed classes in the use of public schools, wells, dharamshallas, etc., though the boards have not yet succeeded in radically modifying the long established sentiments of the people especially in rural areas where education has yet made little progress. It is, however, satisfactory to note that the boys of depressed classes are reported to be getting equal facilities with those of other classes in schools. During the year the District Local Boards of Ahmedabad, Broach and Surat welcomed His Excellency the Governor of Bombay with addresses on the occasions of his visits to their headquarters.

Southern Division.—The administration of the Boards was on the whole satisfactory. There were no cases of mismanagement or gross neglect on the part of the Boards in carrying out their duties. Their general complaint was inadequacy of funds to meet some of their urgent needs, such as expansion of education and improvement of sanitation. With a view

to improving their finances Dharwar, Belgaum and Bijapur doubled their cess and Ratnagiri levied Octroi. Most of the disabilities of the depressed classes have been removed by the Boards. Public wells and dharamshallas have with few exceptions been thrown open to these classes and admission to educational institutions has been secured to them on equal terms with the upper classes. During the year His Excellency the Governor toured in Belgaum and Dharwar Districts and received addresses from the District Local Boards.

Sind.—The year's work presents no feature of special importance. The general administration of the Local Boards was on the whole satisfactory, and non-official Presidents have evinced considerable enthusiasm in the discharge of their duties. It is gratifying to learn that the District Local Boards, Sukkur and Larkana, increased the rate of local fund cess from 5 to 6 pies in a rupee and also instituted a toll tax to meet the growing calls upon them. It is regretted that though the condition of roads in Sind remains far from satisfactory, the Boards are generally reluctant to spend money from their resources for this purpose while some Boards, e.g. District Local Boards, Hyderabad, Thar Parkar, Nawabshah, and Upper Sind Frontier, have failed to utilise even the entire Government grant placed at their disposal. During the year under report an epidemic of cholera broke out in Larkana and Sukkur Districts. It is a matter of great satisfaction that official and non-official agencies worked in co-operation in rendering prompt assistance. As a result of an enquiry into the mis-management of the affairs of the Taluka Local Board, Tando Allahyar in the Hyderabad District, which was due to party feelings, criminal proceedings have been instituted against the President and the establishment of the Board. This case is still pending in the Court. Musafirkhanas, wells, schools, etc., have been as usual open to depressed classes.

18. *General Review.*—Government have very recently published a Review of Local Self-Government in this Presidency and do not, therefore, think it necessary to discuss the position again with respect to Local Boards at any great length. The facts summarised in this Resolution afford little ground for revising the general conclusions stated in the Review. The working of District Local Boards is on the whole distinctly more satisfactory than that of Taluka Local Boards. In many directions they might indeed have achieved more with greater resources. But in the present state of general financial depression Government are unable to increase the grants-in-aid which they are at present paying and in some directions have had to reduce them, while the Boards themselves are not unnaturally reluctant to impose additional taxation on the inhabitants in their areas. It is hoped that model bye-laws for the levy of a Professions Tax will be issued before long, and that these bye-laws, if adopted by the Boards, will enable them to obtain additional revenues from the trading and professional classes who at present undoubtedly contribute less than their fair share towards the cost of the services which the Boards provide. The revision of the Village Panchayats Act and of the Village Sanitation Act is in hand, and if this legislation proves to have a material effect in improving the working of the ultimate administrative units in rural areas, it will then be possible to reconsider the position of Taluka Local Boards. Apart, however, from questions of additional revenue and fresh legislation, there are many defects noticed in general terms in this annual review and in detail in the reports of the Examiner of Local Fund Accounts which urgently demand attention and improvement. Government trust that the Boards will not rest satisfied with their present position and will utilise the present time, when for financial reasons any substantial expansion of services is impracticable, to overhaul their machinery and to place themselves in a better position to take advantage of more favourable conditions when they arrive.

19. The services of the following gentlemen have been mentioned as having been of special value to the districts in which they held office :—

Khan Bahadur H. J. Antia, Chief Officer, Bombay Suburban District Local Board.

* Corrected as per March final 1928-29.

† Last year the balance was shown as Rs. 1,30,086 which did not include Rs. 2,830 on account of permanent advance. This has now been done. It brings the total to Rs. 1,32,916. The difference of Rupee 1 is due to elimination of annas and pies.

‡ The actual closing balance shown in column 120 of last year's statement III is Rs. 1,06,300. The difference of Rs. 9 is due to the fact that the account has been reconciled with the Accountant General's figures by adjustment hence the increase.

§ Includes Rs. 4,664 on account of Provident Fund, taken into account for the first time.

§Difference between the closing balance of the last year and opening balance of this year is due to March final adjustment.

* The discrepancy in the opening balances of the first seven Talukas was due to the assignment of correct and true balance of the Taluka Local Boards.

† Last year's closing balance of Taluka Local Board's was shown Rs. 35,899 and whereas it is shown in this year's statement, viz., Rs. 39,588. The difference is due to the fact that in this year's account the Debit account figures have been included in the Taluka Local Board balances.

† Last year the closing balance of this Taluka Local Board was shown as Rs. 550. The difference of Re 1 is due to the elimination of annas and pies.

' The opening balances of the Taluka Local Boards except Mirokhan and Warah do not tally with the last year's closing balances. This is because previously accounts of Taluka and District Local Boards were combined. They were separated during the year under report and adjustments were made by drawing cheques. The figures now shown are correct.

§ Balance of Rs. 816 as shown in the last year's statement has been decreased by 146 on account of Deposit money of Contractor which is not to be shown here.

¶ Last year the closing balance of this Taluka Local Board was shown as Rs. 5,444. The difference of Re. 1 is due to fractions of rupees.

‖ Excludes loan of Rs. 9,000 taken by the District Local Board from the Taluka Local Boards in 1928-29 which was included in the balance figures for 1928-29 but not now :—
